

Process/Product Change Notification (PCN) Form
 QAL-09-1007 Revision I

To be completed by PCN Coordinator			
PCN #	13-0005	PCN Date	16 January 2013
RFMD Information			
Initiator	Frank Immacolato	Date	11 January 2013
Post to PCN Alert?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	E-mail	PCNresponse@rfmd.com
PCN Information			
<input type="checkbox"/> Customer Approval Required		<input checked="" type="checkbox"/> Notification Only	
Type of Change:	<input type="checkbox"/> Major <input checked="" type="checkbox"/> Minor <input type="checkbox"/> Obsolescence		
Change Affects	<input type="checkbox"/> Form <input type="checkbox"/> Fit <input type="checkbox"/> Function <input type="checkbox"/> Reliability <input checked="" type="checkbox"/> N/A		
The following applies to all change classifications (Major, Minor, Obsolescence)			
Description of Change: One of RFMD's subcontract manufacturers, located in Taiwan, is moving their facility in Tao Yuan, to a new facility in Hsinchu (~40km). There will be no change from the current BoM, standard operating procedures or equipment. The new site will be fully qualified by RFMD Operations, Engineering and Quality teams			
Reason for Change: Move to a new facility required to provide improved efficiencies and increased capacity to better support customer demands.			
Affected Products: Refer to the attached list of affected part numbers: 			
The following only applies to Major and Minor Changes			
Affected Product Specification (if applicable): N/A			
Detail of potential impact to customer: No impact to Form, Fit Function or Reliability.			
Qualification Plan or Data (if applicable): Refer to Comments section for additional details.			
Customer Samples Available (if applicable): 15 March 2013			
Qualification Results Available (if applicable): 15 April 2013			
Planned Implementation Date: 15 May 2013			
Identification of Changed Product (if applicable): Product manufactured after 15 May 2013. Traceability to new site will be maintained in RFMD's traceability systems.			
Comments and/or Supporting Data:			
The subcon will: <ul style="list-style-type: none"> • Retain their original personnel (operators and engineers) as well add another 30 new operators in March 2013 to be trained by the end of April 2013. • Perform pilot control runs prior to implementation. • Perform an internal qualification prior to implementation • Perform RFMD three qualification lot verification builds prior to implementation. Prior to implementation, RFMD will: <ul style="list-style-type: none"> • Build safety stock to ensure uninterrupted supply of product to RFMD customers as site relocation takes place. • Perform on-site technical and quality audits prior to implementation. • Perform product qualification per the attached qualification plan prior to implementation. Click on icon to view qualification plan: 			
Customer Acknowledgement/Responses			
All Customer responses must be sent via e-mail to PCNresponse@rfmd.com . When replying, please include the PCN number in subject line. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. After acknowledgement, lack of additional response prior to the planned implementation date constitutes acceptance of the change. An acceptance, concern, sample order request or a request for further information should be submitted to RFMD in a timely fashion, (i.e., customer should not wait to the end of the review period before responding). If the customer requires additional time to perform sample testing, beyond the stated planned implementation date, an extension must be negotiated with RFMD. Any contractual PCN agreements made with RFMD supersede these requirements.
