**Subject:** January 2019 Product Obsolescence Notification

### **Product Obsolescence Information:**

Cypress announces the obsolescence of select products from its portfolio resulting from an internal review and business decision to discontinue support. The affected part numbers are listed in the attached file. Last Time Buy (LTB) and Last Time Ship (LTS) dates are provided for each product. The LTB date denotes the last day on which orders will be accepted; these orders may be scheduled for shipment through the LTS date provided. In the case of an immediate shutdown, there will be no last time buy and file will indicate "None"; however, a last time ship will still be provided to take care of any remaining backlog that Cypress has committed to ship.

Note 1: Parts in attached list identified with a "Note 1" were formerly pruned by Fujitsu or Spansion prior to merger with Cypress in 2015. Parts remained open for final orders by customers and are now being closed upon receipt of this notification. Current backlog will be supported, or customers will be individually notified by Cypress representatives.

The part listed as the "Drop-In Replacement Part" will perform the same task but with improved or revised technology. The part listed as the "Next Best Alternative Part" is the recommended replacement that may have some features or functions that are different and may require board re-design.

### **Part Numbers Affected:** 361

Please see the attached file for a list of part numbers, Last Time Buy Dates and Last Time Ship Dates.

### **Approximate Implementation Date:**
