

# Push-in connector NPQP-D-Q8-Q6-FD-P10

Part number: 133097

FESTO

## Data sheet

| Feature                                  | Value  |
|--|--|
| Size                                     | Standard   |
| Nominal width                            | 4 mm   |
| Type code                                | NPQP   |
| Pack size                                | 10   |
| Design                                   | Push-pull principle  |
| Temperature-dependent operating pressure | -0.95 bar ... 10 bar   |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:-:-]                  |
| Information on operating and pilot media | Operation with oil lubrication possible                        |
| Corrosion resistance class (CRC)         | 4 - Particularly high corrosion stress                         |
| For use in the food industry             | See supplementary material information                         |
| Ambient temperature                      | -20 °C ... 60 °C   |
| Product weight                           | 7 g  |
| Pneumatic connection 1                   | for pneumatic tubing outside diameter 8 mm                     |
| Pneumatic connection 2                   | for pneumatic tubing outside diameter 6 mm                     |
| Note on materials                        | Contains paint-wetting impairment substances<br>RoHS-compliant |
| Housing material                         | PP   |
| Material of tube retaining claw          | High-alloy stainless steel                                     |
