Bourns® Model CD2320-B1x Surface Mount Bridge Rectifier Diode Series to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has identified select Surface Mount Bridge Rectifier Diode products, Model CD2320-B1x, that will be transferred to an End of Product Life status.

Recommended replacement products, Model CD-MBL1xxS, are available. The replacement devices are functionally equivalent and are pin-to-pin compatible. Bourns is discontinuing the CD2320-B1x part numbers listed below with an effective date of December 31, 2017.

Products purchased during this End of Product Life transition period will be covered by Bourns' standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.

Obsolete Part Numbers	Replacement Part Numbers
CD2320-B1200	CD-MBL102S
CD2320-B1400	CD-MBL104S
CD2320-B1600	CD-MBL106S
CD2320-B1800	CD-MBL108S
CD2320-B11000	CD-MBL110S

Please plan for the following deadlines:

Last time buy date: October 1, 2017

Last time ship date: December 31, 2017
